Ang 442K Senator Risa Hontiveros ay hindi mo rin Pera.. ginastos sa Ads mo at winaldas sa loob lang ng 30 seconds pano kung 10x per day eh di 4.4M at kung 10 days ay 442 Million, pano kung lagpas pa? Dapat ipaliwanag to ni Risa.. Imposibleng hindi mo alam yan kasi mukha mo nakabalandra sa Ads pati sa mga Bus. Kung tutuusin majority ng pilipino alam nila na may Philhealth.. di na kelangan gumastos para sa mukha mo na nakadikit sa Philhealth. Kung sabihin mong sponsor, labag din yan sa Article 739 of the Civil Code paragraph 3 kasi ikaw ay opisyal. Kung sabihin mong galing sa Philhealth eh conflict of interest din yan kasi ginamit mo ang ahensya for your PERSONAL INTEREST para pagka senador. NAPAKAGASPANG mo #RisaHontiveros

את החטופים והנעדרים שלנו
לתת פנים ושמות למספרים הבלתי נתפסים
שנחשפים אליהם בעולם

העולם חייב לראות תינוקות, ילדים, אמהות, אבות וקשישים
שנלקחו בשבי או נעלמו מבתיהם ללא שום מידע

שלחו לנו תמונות, סרטונים ופרטים של היקרים לכם,
נעדרים וחטופים
ואני מבטיחה לשתף אותם עם כל העולם
מבטיחה להדהד את הבקשה הכי חשובה שלנו כרגע -
חמאס, החזירו לנו את הילדים שלנו!

STATEMENT OF REP. PAOLO DUTERTE ON REP. FRANCE CASTRO'S COMPLAINT VS PRRD:

We all have the right to file a complaint against anyone in court. But public servants should not be onion-skinned and should not make use of this right as a tool to silence critics. The former president has received much harsher and humiliating criticisms in the past but never filed a case against anyone. As public servants, we all are under scrutiny by the Filipino people. If the former president has said something that threatened her, then maybe she should come out clean. Di yung nagtatago tayo sa likod ng so-called right na ito. As a congressman myself, madami din akong alam sa maka-kaliwang mga partylist representatives. Tigilan na lang natin ang kadramahan at pagpapa-media.

LIHAM NI RIZAL SA KADALAGAHAN NG MALOLOS
at di nagbabayad sa kanyang pananalangin
Ang unang kabanalan ay ang pagsunod sa matwid, anuman ang mangyari. "Gawa at hindi salita ang hiling ko sa inyo", ani Kristo, "Hindi anak ni Ama ang nagsabing
alinsunod sa hiling ng Kaniang Ama." Ang kabanalan ay
sa mga Fariseos, hindi nagpahalik kailan pa man. Hindi niya pinataba ang mayayaman at palalong escribas. Wala siyang binanggit na kalmen, walang pinapagkuwintas, hiningan ng pamisa, at di nagpabayad sa Kanyang pananalangin. Hindi napaupa si San Juan sa ilog ng Hordan, gayon din si Kristo sa Kanyang pangangaral. Bakit ngayon ang mga pare ay walang bigong kilos na di may hinging upa? At gutom pa halos: nagbibili ng mga kalmen, kuwintas, korea at iba't iba pa, pandaya ng salapi, pampasama sa kaluluwa; sapagka't kalminin mo man ang lahat ng basahan sa lupa, kuwintasin mo man ang lahat ng kahoy sa bundok, ibilibid mo man sa iyong baywang ang lahat ng balat ng hayop, at ang lahat ng ito'y pagpaguran mang pagkurus-kurusan at pagbulung-bulungan ng lahat ng pare sa sandaigdigan, at iwisik man ang lahat ng tubig sa dagat, ay di mapalilinis ang maruming loob, di mapatatawad ang walang pagsisisi. Gayon din, sa kasakiman sa salapi ay maraming ipinagbabawal, na matutubos kapag ikaw ay nagbayad, gaya ng pagkain ng karne, pag-aasawa sa pinsan, kumpare at iba pa, na ipinahihintulot kapag ikaw ay sumuhol. Bakit? Nabibili baga ang Diyos at nasisilaw sa salapi na paris ng mga pare? Ang magnanakaw na tumubos ng bula de composicion, ay makaaasa nang tahimik, na siya'y pinatawad. I am very sad to learn the death of my good friend, Emma Rosales. She is one of my friends because of my contributions to fanmading. Emma, thank you for all that you have done inside or outside the fanmading community and Philippine media. May you rest in peace.
